FRAYNE NEWS VOLUME 31 ISSUE 27 / WEEK 9 TERM 3 / 14 SEPTEMBER 2020

Senior School Photos

Tomorrow, the Senior School students will be photographed with their Form Class and individually. Please note that Year 12 students have already had their individual photos taken. Order forms are to be returned tomorrow and handed to the photographers. Even if you are not ordering, or you order online, the forms need to be returned as they have a barcode unique to each student which is used for identification.

Dress Code: Students to be in the CORRECT sports uniform with the UFCC black shorts (not trackpants) and red polo shirt. All other uniform requirements as per the Uniform Policy (eg hair, make-up, jewellery) must be followed. Year 10 students can wear the sports uniform for the day.

Dear Parents, Students and Friends

STUDENT WELLBEING AND CONNECTEDNESS

Looking after our physical, mental and spiritual wellbeing is vitally important - especially during the COVID-19 pandemic.

There are a plethora of studies that link wellbeing to learning. Research shows that high levels of mental health are associated with increased learning, creativity and productivity, more pro-social behaviour and positive social relationships, and with improved physical health and life expectancy.

As a *learning and faith sharing community, centred in Christ* we believe that the mental health and wellbeing of our young people are a significant priority. As such, we aspire to be a school in which students not only learn well, but also live well in an environment in which God is part of the conversation.

'Wellbeing' is defined as "a state in which every individual realises his or her potential, can cope with the normal stresses of life, can work productively and fruitfully and is able to make a contribution to his or her community" (World Health Organization, 2014). Wellbeing encompasses nurturing the self, giving to others, and building/connecting with community. It relates to the whole person and the interconnectedness of physical, cognitive, cultural, spiritual, social/emotional and psychological/personal dimensions within a person.

As a Catholic school, Ursula Frayne Catholic College shares in the mission of the Catholic Church. Christ's commandment, "to love one another as I have loved you" is the basis of all faith communities. Pastoral care gathers all the qualities and practices within a community that seek to make this commandment real.

From the Principal cont...

Wellbeing is the concept which underpins pastoral care. Frayne is focused on the wellbeing of the whole school community and is conscious of the need to promote healthy wellbeing in all areas of the human person. Mental health is of paramount importance because we recognise the flow on effects of mental wellbeing to not only academic achievement but whole of life satisfaction.

To summarise: A sense of wellbeing and connectedness in schools promotes optimal development of the person as a whole and contributes to academic success. It has often been said that it takes a whole village to raise a child. It certainly takes a whole healthy school context to help a child to flourish. With passion, careful planning and perseverance, great things develop. As such, events such as **Wellness Week** and **RUOK? Day** provide opportunities to focus on what helps us feel well, celebrate the positive and look after ourselves.

Further information about good mental health and wellbeing can be accessed via: https://www.healthywa.wa.gov.au/Articles/F_I/Good-mental-health-and-wellbeing

PREPARING FOR FRAYNE DAY

Every morning that I enter the Duncan Street Administration building, my attention is drawn to a moderately sized, marble plaque affixed to the wall next to the door. The plaque, presented to the College in 1996 by the Parents & Friends Association, bears the following inscription:

"Mother Ursula Frayne and her companion Sisters of Mercy arrived in Perth in 1846 to pioneer education in the Mercy tradition in Australia. We, who continue their story, remember them".

As we approach the much-anticipated celebration of Frayne Day, the inscription serves as a reminder for all who enter the College to take the time to reflect on our foundation and heritage as a Mercy school. As one of the most important days in our College calendar, Frayne Day is an opportunity for us to stop and reflect on our lives as people of Mercy and recognise how the charisms of Catherine McAuley and her Sisters have shaped and guided the College throughout the decades, in times of both continuity and change.

With regards and best wishes.

Mr Geoff Mills, Principal

Chaplain's Reflection

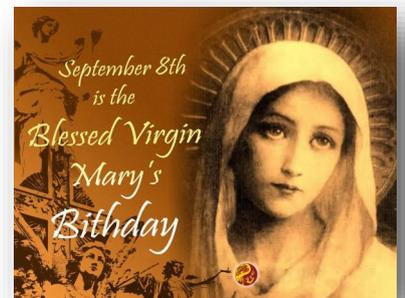

THE NATIVITY OF THE BLESSED VIRGIN MARY

The feast of the Nativity (birthday) of Mary is celebrated on 8 September, 9 months after the solemnity of her Immaculate Conception on 8 December. This feast had been celebrated in the Church at least since the 8th Century.

There is nothing in the Bible that tell us about the birth of the Virgin Mary but there are some other documents and traditions from the first centuries of the Church that outline the birth of Mary. One of them, the "Protoevangelium of James", gives us the name of her parents, Sts Joachim and Anne, and how Mary was born. Joachim and Anne were deeply grieved by their childlessness and devoted themselves to prayer and fasting to find favour with God. Joachim went to the desert to pray while Anne remained mourning at home. Two angels appeared at the same time, one to Joachim and one to Anne saying: "The Lord has heard your prayer, you shall conceive and shall bring forth, and your seed shall be spoken of in all the world". When Joachim returned home, Anne ran and embraced him and together they blessed the Lord. The child was Mary. They raised her with love as a child of God, teaching her to know and serve God. So, when the angel appeared to Mary, she was prepared with great faith to say 'yes' to God's plan of being the mother of Jesus.

Pope Francis reminds us: "The liturgical celebration of the Nativity of Our Lady is her birthday. And what does one do when mama celebrates her birthday? One greets her with best wishes on her birthday. Remember, bright and early, from your heart and from your lips, to greet Our Lady and wish her: "Happy Birthday!". And say a Hail Mary from the heart of a son and or daughter. Do not forget!"

Music News - Calendar Change

Please be aware that the 2020 Music Awards Night will not be taking place as scheduled in the College Calendar.

Wellbeing Week

BALMORAL CAMPUS

Wellbeing week was a great success on the Balmoral Campus with Mindful Monday, Tutti-Fruitti Tuesday, Welcoming and Workout Wednesday, Thankful Thursday and Feel Good Friday. The students looked very comfortable in their 'cosy clothing' with Mr Toop wearing his favourite UFCC tracksuit for the day. Thank you for all the donations to Mercy Works and I hope you all had an enjoyable wellbeing weekend.

Mrs Sarah Quin, Campus Minister on behalf of the Year 6 Liturgy Group

DUNCAN CAMPUS

This week was Wellbeing Week, a whole week focusing on the health and wellbeing of students and staff at the College.

On the Duncan Street Campus, Mrs Quin (Campus Minister), Miss Thuijs (College Psychologist) and the Student Wellbeing Team led a variety of activities to bring smiles to people's faces and boost College morale while raising awareness for mental health and R U OK? Day.

Several events were spread across the whole week, such as feel good beats in the courtyard, and a Gratitude Wall where students had the chance to tell us what they're grateful for on a colourful post-it-note. In Form Class students were encouraged to write notes of gratefulness, wellbeing tips or favourite memories, which were turned into our colourful Cluster coloured 'Frayne Chain' displayed in the courtyard (some of which are shared below). Students were also encouraged to come and chill out in recess mindfulness sessions run by the Miss Thuijs.

In addition to all of this, an elimination style Uno competition was held to crown our College Uno champion. Congratulations to Oliver McDonald of Joachim who took out this prize. Students also battled it out in our wellbeing, music and Who Knows Frayne Best? Kahoot quizzes.

R U OK? Day on Thursday saw the Wellbeing team enlist the help of some eager early bird students to create massive, vibrant chalk murals across the courtyard.

We thank all who got involved.

Claire Emery, Year 11, Wellbeing Student Team Member

"Make sure to appreciate the small things."

"Don't stop until you are proud!"

"Nobody is ugly, we are just born in a judgmental society...Kim Namjoon of BTS"

"Did you know that there are people in this world who place an extra nugget in a 12 piece Maccas chicken nugget pack? That extra nugget is unnoticeable, but just the realisation can encourage a smile on more than one person's face."

"Something that helps me feel good is vegemite."

"Never give up, push through. It will all be worth it in the end!"

AUSSIE OF THE MONTH

Congratulations to William McKean (5R) who was announced as the Aussie of the Month for August. William is certainly a student who displays our Mercy values of Compassion, Hospitality, Excellence, Respect and Justice every day. He often goes out of his way to help his classmates without being asked because he has an awareness of what other people need to make them feel special. William genuinely wants to encourage and support his friends. He shows kindness and consideration towards everyone and has an outstanding sense of justice and fairness. William works hard in the classroom and consistently follows teachers' instructions. He has a positive attitude towards learning and often asks interesting questions. William shows respect and patience in his daily life in his dealings with others and is a thoughtful, happy and engaging young man. Well done William!

Mrs Cathy Armstrong, Assistant Head of Junior School

SPORTS CARNIVAL

What a glorious day we had on Thursday last week when our students from Kindergarten to Year 2 showcased their athletic ability and acquired Physical Education skills at our annual Sports Carnival. Our prayers were heard and the rain stayed away!

Everything seemed to run like clockwork (excuse the pun!). A sense of 'community' was felt, with so many families staying back to enjoy a picnic lunch under the shade of the trees at Fraser Park at the end of the Carnival.

The cheering was led by our mature and responsible Year 6 Faction Captains who were ably backed by our enthusiastic Year 2 Mini-Captains. This form of vocal support adds to the fun element and the team and sporting spirit we endeavour to capture on the day. Congratulations to **Gold** for claiming the 'Best Cheering' certificate. The 'Dance and Jingle Opening Ceremony' of Factions allowed the day to commence with a bit of energy. This was followed by the Kindy races that certainly gained everyone's attention and barracking!

All the children in the Preparatory School should feel proud of their terrific efforts and outstanding behaviour. It made the decision to choose the 'Best Behaved' Faction very hard for our judges. However, **Red** became the recipients of this Award. Well done also to **Blue** for being selected as having the 'Tidiest' Faction bay.

There are so many people to thank whose hard work and contribution enabled the day to be a success.

- Mr Son Nguy for training the students for their events and for his overall organisation.
- The Preparatory School staff for their collaboration and support, particularly in practicing the team games with their classes.
- Mrs Michelle Denholm for being our very precise points scorer.
- Mr Lee Barker for preparing the track and for the set up/pack away of the bays and other equipment with the assistance of Mr Alan Chesshire and our 'daddy helpers'.
- Mrs Samantha Swain from the Friends of Frayne for organising the Coffee Van and Food Truck.
- The team of dads who took on the role of 'judges' for the various events: Kevin Nagamany, Michael Szigligeti, Ben Whitehouse, Shane Healy and Matthew Beston.

I was greatly impressed by the endearing speeches given by all Captains and Mini-Captains as the results were revealed. The lead changed a few times during the course of the day but in the end our overall points winner was **Green** Faction, who were then presented with a trophy. It was also the first time we had a draw for third position.

The final scores were:

- Green (Bosco) - 915 points
- Gold (Buggy) - 880 points
- Blue (Rice) - 745 points
- Red (McAuley) - 745 points

Well done everyone. A real team effort!
