## STUDENT CODE OF CONDUCT

College policies and practices focus on developing personal responsibility and maintaining a caring, safe and secure environment. Students are encouraged to exhibit positive behaviours in both word and actions to ensure a positive learning environment for all.

### EXPECTATIONS

Ursula Frayne Catholic College (the College) is committed to the provision of high quality and rewarding Catholic education for all students in an environment which actively encourages and supports learning for all students in a Christ centred environment. To uphold the traditions and reputation of the College and for the mutual benefit of all students, their families and members of our Christ centred learning and faith sharing community, the expectations of students are set out in the Student Code of Conduct and the Student Enrolment Agreement. In addition, each classroom will have their own set of examples to help students and visitors understand the expectations and meet the standards we hold for everyone at the College.

As a student attending Ursula Frayne Catholic College, I undertake to:

#### Live out the College Ethos and Values

- Do everything in my power to uphold the motto 'Centred in Christ'
- Support through my actions, the religious and moral values promoted by the College
- Adopt a responsible, positive attitude while attending the College and when involved in College activities
- Participate fully in all activities arranged by the College, such as Frayne Day celebrations, sporting carnivals, excursions and other school activities
- Make myself available upon request to represent the College in sporting and cultural activities, even when they take place outside of normal school hours
- Wear the full College uniform as prescribed and adhere to College uniform policy
- Refrain from unacceptable behaviour at the College, at College functions or while travelling to/from school or College events such as offensive language or behaviour, or possession of offensive literature.

#### Respect myself and others

- Act at all times with respect towards College staff, students, visitors and members of the public
- Respect the rights and welfare of other members of the College and broader community
- Express points of view in a way that respects the opinions, beliefs and values of other learners and teachers

#### Take responsibility for my learning

- Make an honest effort to achieve my personal best in all courses of study
- Arrive on time for all classes and College activities

- Participate actively in lessons through appropriate behaviour
- Undertake all course requirements, including assessments in a timely manner and to the best of my ability
- Not engaging in plagiarism and cheating in assessments
- Take responsibility for my support needs by communicating with teaching or support staff

**Contribute to a healthy and safe learning environment**

- Comply with all College policies and regulations
- Refrain from:
  - possession or use of alcohol, tobacco or illicit drugs.
  - behaviour that may be construed as harassment, intimidation, discrimination or bullying
  - vandalism or theft
  - inappropriate use of information technologies

I am aware that the College policy with regard to the use or possession of illicit drugs or alcohol on school property or at school functions includes a penalty or forfeiture of the right to retain a place at the College. I acknowledge that failure to fulfil these undertakings constitutes a breach of the Code of Conduct. Should this happen, I understand that the principal may terminate my enrolment.
