

# URSULA FRAYNE CATHOLIC COLLEGE

FRAYNE NEWS VOLUME 34 ISSUE 17 / TERM 2 WEEK 8 / 16 JUNE 2023

## Please Note...

The next and final Frayne News for Term 2 will be published on Monday 26 June.

## Careers' Expo - Save the Date!

On **Monday 26 June**, from **3 – 6pm**, UFCC will welcome a range of education, training and industry representatives to the Duncan Street campus.

The Careers' Expo will be held in the gymnasium and all families are encouraged to make time to visit.

We look forward to seeing you there.

*The Ursula Frayne Catholic College community acknowledges the Whadjuk people of the Noongar nation, the traditional owners who have walked upon and cared for this land for thousands of years. We acknowledge the continued deep spiritual attachment and relationship of Aboriginal and Torres Strait Islander peoples to this country and commit ourselves to the ongoing journey of reconciliation.*

CONGRATULATIONS - Years 8/9 Boys' AFL Team for winning the Grand Final in the Eagles Schoolboys Cup against St Norbert. Well Done!

## From the Principal

Dear Parents, Students and Friends of Ursula Frayne Catholic College,

### SOCIAL JUSTICE

Over the last few decades Catholic schools have been doing an incredible job in the area of social justice. It taps into the desires of young people to do something meaningful with their lives, something that really makes a difference for others.

We have a great tradition in Australia of people like Ursula Frayne, Mary Mackillop, Caroline Chisholm, Fred Hollows and many more who have given us an incredible example of serving the poor. Our natural environment with its fires and floods and droughts also sees us reaching out to those who need a hand in tough times. This also extends around the world with Australia making huge contributions to tragic events. We should be proud of who we are as a nation and our generous heart.

In a Catholic school what is the deepest reason for reaching out to others through social justice? It's a question worth reflecting upon. It is easy to get caught up in 'doing' things for others without stopping to think exactly why we are doing them.

In a beautiful story, a British journalist asked Mother Teresa of Calcutta what the single main reason was she kept doing her incredible work for the poor. She could have given a long list of reasons about people's needs or global inequality but she said something very different. She reached across the table and took the journalist's hand in hers and whispered the words of Jesus found in the Gospel of Matthew 25: 40: "Truly I tell you whatever you did to the least of these brothers and sisters of mine you did to me."

## From the Principal cont...

Mother Teresa's entire mission was driven by what was referred to as discovering Jesus in the distressing disguise of the poor. She did not care for others because of a political reason or because she wanted to change the world. She simply saw Jesus in each person and wanted to love and serve Him in and through them.

Simply put, the closer we grow to Jesus the more effective our work in social justice will be. Finding him in the Gospels, reading about the lives of people like Dorothy Day, Damien of Molokai and Maximillian Kolbe will allow us to encounter people who could deeply love and serve the needy because they loved and served Christ. They found Jesus in the poor and most vulnerable because they knew the broken heart of Jesus for the poor. True social justice is not about politics or programs. It is about love.

We are invited and encouraged to take the gamble of finding out more about Jesus. Allow his teaching and his life of love and sacrifice to inspire our hearts for social justice.

Sometime people say, *"I don't need religion to be involved in social justice."* Think of it like this; if you have to dig a 2-metre-deep hole, you can do it with your hands, but a shovel will make it much easier. In a similar way you can do social justice work driven by ideology or politics or even simple goodwill, but history and the lives of the great saints seem to suggest that it is easier and far more effective if you do it relying on love.

The more we encounter Jesus the more deeply we will love. The more we love and serve others, the more social justice becomes not an event, experience or a program, but a way of life, a path to joy and a way to heal a wounded world one person at a time.

Serving others has always been the mark of a great person. As such, at Frayne we are encouraged to serve others as a means of developing empathy, compassion, and a sense of justice through meaningful and active citizenship. From a Christian perspective, 'service' is defined as any time served modelling the attitude of Jesus in service to God's creation without receiving reward or payment. The goal of the act should be to help build up another and/or make our world a more loving, happier, safer, cleaner, holier place.

With the Semester One holidays fast approaching, we are encouraged to not only view this time as an opportunity for rest and recuperation but to also one that affords opportunities to serve other people. We all have something to give, and the real gift comes to us when we share our time, talents and care, even if especially, it is at times inconvenient or somewhat uncomfortable. As Pope Francis reminds us, *"following Christ's example of love and service to those in need is not a task reserved to a selected few but a calling for all Christians."*

With regards and best wishes.

**Mr Geoff Mills**  
Principal

## Chaplain's Reflection

### THE SACRED HEART OF JESUS

This Friday, 16 June, is the Solemnity of the Most Sacred Heart of Jesus. This feast goes back to the eleventh century, when people showed special devotion to the wounds of Jesus. The wound that pierced the side of Jesus on the cross gradually reached his Heart; symbolising His love for all humanity. The heart is one of our vital organs and it is not only associated with our physical life but also with all our emotions and moral life. This feast celebrates the love of Jesus for us, a divine and human love who gave everything for us, even his physical life.

The Sacred Heart is one of the most followed and well-known devotions in the Catholic Church. Art depicts Christ with a flaming heart shining, encircled with the crown of thorns, pierced by a lance or the cross, and bleeding. Many saints have loved and spoken about this devotion, especially Sister Margaret Mary Alacoque. This French nun had a very important contribution to this devotion by publishing some books, spreading and explaining it. The feast was approved for some places by Clement XIII in 1765 and extended to the whole Church by Pius IX in 1856. Later on another Pope, Leo XIII, made it a Solemnity in 1899, the highest rank feast, and through an encyclical letter dedicated the whole Church and the world to the Sacred Heart of Jesus.

Prayer to the Sacred Heart of Jesus:

"O most holy heart of Jesus, fountain of every blessing, I adore you, I love you, and with lively sorrow for my sins I offer you this poor heart of mine. Make me humble, patient, pure and wholly obedient to your will. Grant, Good Jesus, that I may live in you and for you. Protect me in the midst of danger. Comfort me in my afflictions. Give me health of body, assistance in my temporal needs, your blessing on all that I do, and the grace of a holy death". Amen.

**Fr Jesus Bello**  
College Chaplain, Duncan Street Campus

## Preparatory School Awards - Term 2

Apologies as it has been noticed that the Prep School Awards have not been published this Term, so here are the recipients so far:

### 4 May

**PPR** Merit  
Indiana Stewart  
Lola Hamer  
Lachlan Cerff  
Lewis Manning  
Environment - Georgia Cleland

**PPW** Merit  
Clio Galvin  
Lincoln Vivanco Thacker  
Aidan Sacco  
Hanna Asgedom  
Environment - Hanna Asgedom

**1R** Merit  
Stella D'Alonzo  
Arnav Oak  
Sasson Perera  
Hayden Loveless  
Environment - Bastian Bernhardt  
Uniform - Sonia Barker

**1W** Merit  
Sriyan Manjire  
Aurora Ramawickrema  
Zara Bhatia  
Theodore Batia  
Eliza Dewar  
Environment - Saskia Morgan  
Uniform - Teo Lim

**1G** Merit  
Carter Vanpraag  
Evelyn Mason  
Liam Boden  
Eleanor Osnain  
Environment - Jordyn Nutt  
Uniform - Hudson Ward

**2R** Merit  
Pace Beston  
Gloria Chang  
Jacko Flannelly  
Estelle Opdam  
Environment - Aurora Rotondella  
Uniform - Amelia Desta

**2W** Merit  
Luke Vergara  
Ashton Sciortino  
Alice Rose  
Environment - Tliyah Gordon  
Uniform - Mia Thomas  
Uniform - Isabel Gee

### 25 May

Merit  
Monroe Harper  
Reuben White  
Madeline Sasongko  
Logan Lee  
Environment - Rosie O'Neill

Merit  
Logan Celenza  
Matilda Casey  
Oliver McKaigue  
Katrina Ooi

Merit  
Amali Ruhui  
Skyler Workman  
Sonia Barker  
Jonathan Handoko  
Environment - Matthew Ling  
Uniform - Tamsin Workman

Environment - Michael Bunt  
Uniform - Lucas Wilson

### Aussies of the Month

4 May - Abigail Barker (1G)

25 May - Bastian Bernhardt (1R) and Marie-Clara Juane (1W)

## Friends of Frayne News

### FRIENDS OF FRAYNE INVITES YOU TO OUR STAR STRUCK TRIVIA NIGHT! SATURDAY 29 JULY 2023

Dust off your dancing shoes and come dressed as your **FAVOURITE FILM ICON** for an evening of fun-filled trivia and dancing! We are so pumped for our 2023 Parent Event!

Pull together a table of 10 friends, or purchase a single or couples ticket and let us do it for you! Either way, you will have a blast, plenty of laughs and make some new friends.

Tickets are ON SALE NOW, purchase them from the TryBooking link below:

<https://www.trybooking.com/CJEVP>

### DUNCAN CAMPUS ATHLETICS CARNIVAL - FRIDAY 23 JUNE SAUSAGE SIZZLE ORDERS

Students can place their sausage sizzle/drink orders now for the Duncan Street Campus Athletics Carnival at: <https://www.trybooking.com/CJCCI>

#### UFCC STAFF ONLY

Staff attending the Athletics Carnival can order their sausage sizzle by clicking on the following link: <https://www.trybooking.com/CJCCO>

### YEAR 1 PARK PLAY AND COFFEE DATE

Thank you to the lovely year 1 Class Coordinators who have been busy over the last week with a few social engagements. It was great to see so many Year 1's at Fraser Park on Tuesday after school, and a lovely Year 1 Red Coffee catch up at the Little Banksia in Kensington.

### KINDY SPEECH SCREENING INFORMATION EVENING

The Friends of Frayne were happy to support the Kindy Speech Screening information evening. It was a very cold evening so the hot tea, coffee and biscuits were much appreciated! Thank you to Aimee Hamer and Josie D'Aqui for coordinating refreshments.

## Friends of Frayne News

### VOLUNTEERS HELP NEEDED - DUNCAN STREET CAMPUS PARENTS

Duncan Street Campus Intercluster Athletics Carnival - We're looking for volunteers who are able to help out with the sausage sizzle on Friday 23 June at Ern Clark Athletic Track from 10am - 1pm. Please email us at [friendsoffrayne@ufcc.wa.edu.au](mailto:friendsoffrayne@ufcc.wa.edu.au) or message us via our Friends of Frayne Facebook page.

UFCC Staff Spirituality Day - We need a couple of parents to help with serving a staff morning tea on Friday, 30 June at around 10am. Please send us an email at [friendsoffrayne@ufcc.wa.edu.au](mailto:friendsoffrayne@ufcc.wa.edu.au) or message us via our Friends of Frayne Facebook page.

### KINDY COFFEE CATCH-UP

Thank you to the wonderful Kindy Class Coordinators for organising a coffee catch-up this week. We love Green Bunch for our coffee dates! Well done team.

### NEXT MEETING DATE

#### Opportunity to join in online and change of location!

Our next meeting is next Wednesday 21 June @ 7pm, in-person at the Balmoral Street Campus. \* Please note the location change \*

We'll be offering a Hybrid Meeting, so for parents interested in joining in but unable to attend in person, we are aiming to have you join online. To register your online attendance, please email [friendsoffrayne@ufcc.wa.edu.au](mailto:friendsoffrayne@ufcc.wa.edu.au) by COB Tuesday 20 June.

*Friends of Frayne*

## Nominate a Teacher - NEiTA Awards

### NATIONAL EXCELLENCE IN TEACHING AWARDS 2023

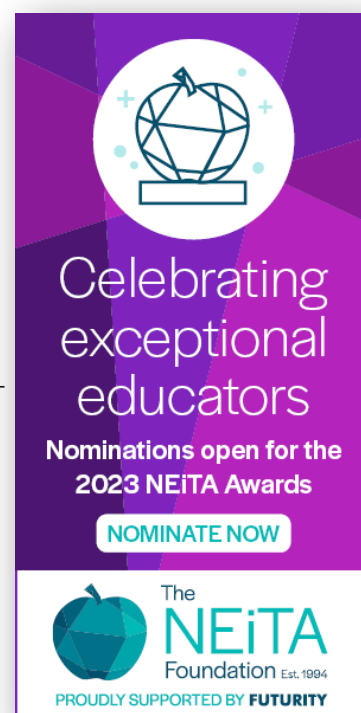

#### Nominations Now Open!

For more than 28 years, the National Excellence in Teaching Awards (NEiTA), has recognised Australia and New Zealand's most outstanding educators. NEiTA is proudly supported by Futurity Investment Group. NEiTA acknowledges the talented, committed and caring educators who demonstrate the personal qualities, skills, and passion that help shape the lives of future generations in a fast-changing world.

As nominations for this year's NEiTA Awards open, we please ask you to consider if there's an outstanding educator you'd like recognised.

Award winners receive a professional development grant of up to \$10,000 to further their career and they'll also be invited to the NEiTA Awards ceremony for a celebration with their peers.

The NEiTA Awards are open for nomination by anyone in the wider school community. You can nominate an outstanding educator for a NEiTA Award now by visiting [neita.com](https://neita.com). If you have not registered before, you will need to do so. Where it asks for you to Log in or Register, type in your email address and continue. Nominations are open until 21 July 2023.

**IMPORTANT**
**BUILDING  
FOR  
TOMORROW.**

## We're getting ready for the Armadale Line Shutdown

We're planning replacement bus services, creating around 1.2kms of bus priority lanes and building three temporary bus interchanges.

### At Victoria Park Station temporary bus interchange:

- kerb modifications will be made along Kitchener Avenue for one vehicle at a time to pass the bus interchange
- no entry will be allowed at the end of Axon Avenue onto Kitchener Avenue and a turnaround bay will be installed
- the temporary car park will be created before major works, so there will be no interruption to the availability of car parking during works
- the number of Transperth parking bays will remain the same, two ACROD bays will be added.

### What to expect during works

- Impacts will include noise, vibration, and dust, local road changes and diversions.
- Traffic management and shared path detours will be in place.
- Additional traffic controls will be installed to detour drivers and pedestrians, where necessary.
- Every effort will be made to minimise disruption.

Temporary bus interchanges will operate from around four weeks prior to the shutdown starting.

### School holiday Workshops at ECU –

Visit the ECU website – <https://www.ecu.edu.au/schools/science/events-and-activities>  
For more info contact – [sscievents@ecu.edu.au](mailto:sscievents@ecu.edu.au)

#### Week one

**4th July – Tuesday – Micro: bits and Bots – Car Rally** <https://www.trybooking.com/CIJZO>  
ECU's School of Science is proud to offer this workshop for high school-aged students interested in learning more about computing and security. Join us for a day of coding in python using micro: bits to move a smart robot car around a course. The day will start with learning the basics of Python, coding the car kit to light up and move as well as using the sensors to make it turn. Extension – Network Security and Bluetooth

**5th July – Wednesday – Web Development** – <https://www.trybooking.com/CIOCO>  
ECU's School of Science is proud to offer this workshop for High School aged students interested in learning more about computing and security. Join us and learn how to build your own website using HTML, CSS, and JavaScript. The day will start with exploring ChatGPT before moving onto learning how to code, moving to calculations and structures finishing off with your own Website - better than ChatGPT.

**6th July – Thursday – Arduino – breadboarding and C++** – <https://www.trybooking.com/CIOBM>  
ECU's School of Science: Computing and Security invite high school students to join us for a day of coding Arduino and attaching lights, motors, and buzzers. The day will start with learning the basics of C++, the Arduino, and Electronics, followed by looking at the various projects and working through them.

**7th July – Friday – Micro: bits game creation Python coding** – <https://www.trybooking.com/CIVXA>  
ECU's School of Science is proud to offer this workshop for high school-aged students/teachers interested in learning more about computing and security. Join us for a day of coding in Python using micro: bits to create press-button games with LEDs, Bluetooth, compasses, and accelerometers. The day will start with learning the basics of Python to program Micro: bits.

#### Week Two

**10th July – Monday – Learn to Linux** – <https://www.trybooking.com/CIKDY>  
ECU's School of Science is proud to offer this workshop for high school-aged students/teachers interested in learning more about computing and security. Suitable for students with some knowledge of coding. Linux is a popular alternative operating system often used in cybersecurity. Learn to Linux is a hands-on workshop where participants are introduced to different Linux operating systems including Ubuntu. The second half of the day will be focussing on the use of command lines. Feel free to bring your own laptops or use our desktops. Please have TryHackMe, freecodecamp, codecademy and Over The Wire accounts.

**10th July – Monday – Information Security – Minecraft** – <https://www.trybooking.com/CITBL>  
ECU's School of Science and Microsoft is proud to offer this Minecraft workshop for high school-aged students' years 7- 9 who are interested in learning more about computing and security. Using Microsoft's Cyber Security Minecraft world, students will develop their own WA version of a Minecraft world whilst at the same time learning about cyber security, personal security, and information security. BYO Device or use our desktops for the half day. In conjunction with Microsoft Steven Payne ECU cyber student Alex Kirwan, will present this workshop taking you through cyber security skills and concepts, before creating a new WA world, whilst completing cyber security challenges. The workshop will finish with capturing flags. You are welcome to bring your own laptops. For more information about Minecraft Education contact Steven Payne - <https://standouteducation.com.au>

**11th July – Tuesday – Cyber Security Fundamentals** - <https://www.trybooking.com/CIOEV>  
ECU's School of Science: Computing and Security invite high school students and educators to join us for a day of Cyber Security. This workshop is for high school students and/or teachers new to cybersecurity who would like to know more about the practical aspects. Join us as we explore free online tools, some easy-to-do challenges, and career opportunities.

**12th July – Wednesday – Secrets and Spies** – Security and Intelligence - <https://www.trybooking.com/CIOBI>  
ECU's School of Science is proud to offer this workshop for high school-aged students/teachers interested in learning more about computing and security. Join us for a day of digital forensic investigations, image analysis, and scrutinising information for reliability and authenticity at our Security and Intelligence workshop. Develop your skills for intelligence whilst learning about some of the free open-source tools to find real information. Be challenged!

**13th July – Thursday – Cyber Security, Challenges and Capturing Flags** – <https://www.trybooking.com/CIODQ>  
ECU's School of Science: Computing and Security invite high school students and educators to join us for a day of Cyber Security. Learn how to use VM's Kali Linux and some basic cyber tools. You will need to bring your own device with Kali Linux pre-installed - It can't be done at ECU on the day. Please have accounts with TryHackMe Over, Vulnhub, Hack the Box, w3Challenges, Over The Wire - War Games.

## STEM One Day Workshop

For Years 9, 10, 11 & 12

Inviting students interested in Engineering, Physics, or Mathematics to come and explore engineering and applied science concepts through a series of hands-on and engaging workshops during the school holidays.

The activities are STEM (Science, Technology, Engineering & Mathematics) focused and have been designed and developed by ECU's School of Engineering for their CREATE program.

Through these workshops, students will have the opportunity to engage with multidisciplinary studies relating to a range of different engineering fields, the courses they are aligned to, and the diverse career opportunities they will have the potential to experience as engineers.

Do not miss out on the opportunity to attend these workshops.

Register your participation by QR code scan or at <https://www.trybooking.com/CIRRB>  
Registrations close 23 June 2023

**Activities**  
• Civil Engineering (Bridge Design & Building)  
• Mechatronics (Automation)

**Dates**  
4, 5, 12 & 13 July 2023

**Time**  
9:15am – 3:00pm

**Location**  
ECU Joondalup Campus, Building 23

**Enquiries**
