

From the Principal cont...

That tradition of volunteering continues today in even more diverse ways. *"The time they give, with quite some passion, greatly contributes to and adds value to community activities, projects and the vision of good people 'who see a need and do something about it', as St Mary MacKillop would often say,"* Bishop Sproxtton said.

Quoting a verse from the Gospel of John - *"God does not require us to show grand gestures of faith and love for him but instead, God looks at the smaller efforts of kindness and love we commit to His name"* – Bishop Sproxtton said the scriptural passage speaks about faith and commitment the Church community has towards God's word.

Volunteers are to be found in all areas of society. So, it is not surprising to find so many in our Frayne community. Selfless contribution is one of our community's best and brightest assets. As such, I extend a heartfelt thank you to those who have been able to volunteer to assist not only within the Frayne context but also beyond. Your willingness to give your time and service is greatly appreciated. Your support allows us to continue to fulfill our mission to nurture Frayne Graduates and to serve people in the Frayne and wider communities.

STAFFING MATTERS

This week we farewell **Kate Casey** (Home Economics Teacher – Duncan St Campus) and **Maria Scafetta** (Language Teacher – Duncan St Campus) who have completed short-term contracts. We also acknowledge the professionalism, dedication and commitment to our students from **John La Piana** (Science Teacher – Duncan St Campus) and **Ebony Beckwith** (Library Officer – Balmoral St Campus) that has been so evident during their respective tenures.

As advised last week, **Andy Dalton** (Head of Junior School) will take up the role of Acting Principal of Sacred Heart Catholic School, Goomalling next term. His appointment will commence on 17 July and conclude on the 31 December 2023.

We thank our colleagues for their contributions to the College and wish them well as they prepare to embark on the next phase of their personal and professional journeys.

Our thoughts and prayers are with **Cathy Armstrong** (Assistant Head of Junior School), **Gian Custodio** (Science Teacher – Duncan St Campus) and **Johadi Johadi** (ICT Database Technician) as they embark on periods of Long Service Leave. May their extended breaks provide time for rest and rejuvenation, and we look forward to their safe return.

Thank you to **Michael Steele** for undertaking the role of Acting Coordinator of Library Services during Jean Redfern's extended leave. Michael has embraced this role with great enthusiasm and the College is fortunate to have staff members with the requisite background and experience that enables them to undertake these opportunities effectively.

FINAL WORDS FOR THE TERM

I take this opportunity to thank staff and students for all their efforts this term and to thank parents for their support. I wish all families a restful break, time to relax, recharge and catch up with friends and family. Hopefully, the school holidays will also provide some time for all of us to reflect on the past six months and move purposefully forward into the future.

With regards and best wishes.

Mr Geoff Mills, Principal

Chaplain's Reflection

SAINTS PETER AND PAUL

The Solemnity of Saints Peter and Paul is on 29 June. This feast honours the martyrdom in Rome of these two Apostles of Christ. Peter and Paul were two very different men and they came to follow Christ in different times and ways; while Peter was called by Christ at the beginning of His public Life, Paul was called after His Resurrection in a vision. Both of them were normal and weak men, who either denied Christ or persecuted his followers. However, Christ's grace transforms them to bring His message of life to all the people.

Pope Francis said that both of them were witnesses of the transformative power of God's forgiveness through which all Christians can experience a new beginning of peace and joy: "Peter denied the Lord, while Paul persecuted the Church of God, Jesus called them by name and changed their lives. Only when we experience God's forgiveness do we truly experience rebirth. From there we start over, from forgiveness; there we rediscover who we really are in the confession of our sins". Peter and Paul understood that holiness does not consist in exalting but rather in humbling oneself. We can be encouraged by both of them because if Christ used them as they were, we too can be strength and used by God as we are.

In the presence of these witnesses, let us rediscover who we truly are through a daily relationship with Jesus and with the power of his forgiveness, become instruments of God.

UFCC Duncan Campus Netball Program

Earlier this year, students who were interested in representing the College at the SSWA High Schools Cup competition were invited to register their interest. Following an extensive selection process, the College confirmed selections for the 2023 Netball Program and nominated four girls teams and four boys teams in the state-wide competition.

All representative teams demonstrated great team spirit and were competitive in their respective divisions, with four of the eight teams progressing to a cross-over final. I would especially like to highlight the success of the **Lower Division Boys' team who were named runners-up** in their competition and the **Middle Division Boys' team who claimed the Championship title**. This is a huge achievement for our College Netball Program and reflective of the skill and dedication of our students.

A special thank you to Adam Waddell for his assistance in the preparation and management of our teams, as well as thanks to Sarah Muhling, Dani Griffiths and Joe Sciorilli for assisting on the carnival days.

Miss Chloe Vince
Netball Coordinator

Year 6 Lightning Carnival

The Year 6's participated in the Lightning Carnival on Thursday 15 June. They could choose to play either Netball, Soccer or AFL. There was a mixture of results, but all the students participated with enthusiasm and enjoyed themselves.

Thank you to all the Teachers, Education Assistants, parents and Duncan Street Campus students who came to assist on the day.

DUNCAN STREET CAMPUS ATHLETICS CARNIVAL - SAUSAGE SIZZLE FUN!

A huge thank you to our team of volunteers (Carlo Nicolosi, Dave Wilson, Mie Mie Aung, Joanne Zappia, Bianca Beston, Amber Douglas, Carla Martella, Deirdre Crowley, Rebecca Cook, Jacqueline Hkawnau and Sue Deering) who braved the hungry crowd as they cooked up and served the sausage sizzle at the Duncan Street Campus Cluster Athletics Carnival.

A shout out to our Principal Mr Mills for also stepping in to help with the sausage sizzle when the demand got crazier. And, a very special thanks to our Senior Sub-School Coordinator, Maria Nicolosi, who helped coordinate and purchase all the food and drinks. What a team!

Thank you also to East Perth Chiropractic Health Centre who generously donated 250 buns to the sausage sizzle at the Duncan Street Campus Cluster Athletics Carnival on Friday. East Perth Chiropractic Health Centre is a modern, central and convenient health centre for busy families and local professionals providing services such as chiropractic, podiatry, physiotherapy, massage therapy and nutrition advice. <https://www.eastperthchiro.com.au>

IMPORTANT
METRONET
**BUILDING
FOR
TOMORROW.**

We're getting ready for the Armadale Line Shutdown

We're planning replacement bus services, creating around 1.2kms of bus priority lanes and building three temporary bus interchanges.

At Victoria Park Station temporary bus interchange:

- kerb modifications will be made along Kitchener Avenue for one vehicle at a time to pass the bus interchange
- no entry will be allowed at the end of Axon Avenue onto Kitchener Avenue and a turnaround bay will be installed
- the temporary car park will be created before major works, so there will be no interruption to the availability of car parking during works
- the number of Transperth parking bays will remain the same, two ACROD bays will be added.

What to expect during works

- Impacts will include noise, vibration, and dust, local road changes and diversions.
- Traffic management and shared path detours will be in place.
- Additional traffic controls will be installed to detour drivers and pedestrians, where necessary.
- Every effort will be made to minimise disruption.

Temporary bus interchanges will operate from around four weeks prior to the shutdown starting.
