From the Principal

Dear Parents, Students and Friends of Ursula Frayne Catholic College,

STAFFING MATTERS

As we begin the new term it gives me great pleasure to welcome back to the College **Jean Redfern (Coordinator of Library Services)** and **Sally Watkins (Teacher – Balmoral Street)** from extended periods of leave. Also returning to the College are **Saida Cataldo-Nikolic**, **Angela Puglia**, **Jeanie Walker** and **Emma Van Woerden** who will be undertaking temporary teaching appointments.

It is with pleasure that I also introduce and welcome to the Frayne community the following newly appointed members of staff and wish them well as they commence their respective tenures.

- | | |
|---------------------|--------------------------|
| • Meagan Berzins | Teacher - Science |
| • Maria Blackman | Teacher - SWD |
| • Mihiri De Silva | Teacher Assistant - SWD |
| • Jai Morris-McCall | T&E Technician |
| • Nick Scafetta | Teacher - Science |
| • Polly Reitsema | Teacher - Home Economics |

With the appointment of Andy Dalton as Acting Principal of Sacred Heart School, Goomalling, **Michelle Davis** will undertake the role of Acting Head of Junior School (AHJS) during Term 3 supported by **Sabrina Del Rosso** (Acting Assistant Head of Junior School). Upon her return in Term 4, **Cathy Armstrong** will take over the AHJS role supported by Mrs Davis.

The Ursula Frayne Catholic College community acknowledges the Whadjuk people of the Noongar nation, the traditional owners who have walked upon and cared for this land for thousands of years. We acknowledge the continued deep spiritual attachment and relationship of Aboriginal and Torres Strait Islander peoples to this country and commit ourselves to the ongoing journey of reconciliation.

From the Principal cont...

I am also pleased to announce that **Michael Tassone** has been appointed to the role of Homeroom Team Leader for Rice Cluster on the Duncan Street campus.

We congratulate Michelle, Sabrina and Michael on their appointments. The College is indeed very fortunate to have suitably experienced and qualified staff who can competently step into these senior designated leadership roles.

CONDOLENCES

I write to advise of the death of the beautiful mother of Angela Puglia and of Ross Appleford, much-loved husband of Leanne. Their passing will no doubt leave a void in their respective families.

As you can appreciate, this is a deeply distressing time for the Appleford and Puglia families, and we extend our heartfelt condolences. In times of grief the prayers, love and support of our very strong Frayne family will be of great comfort to them.

*Eternal Rest Eternal rest, grant to them O Lord and let perpetual light shine upon them.
May they rest in peace. Amen.*

APPOINTMENT OF NEW PRINCIPAL

As notified last term a new Principal has been appointed to Ursula Frayne Catholic College. Following the selection process the Executive Director of Catholic Education offered the position to Mr Mark Antulov who will take up this appointment from 1 January 2024.

An experienced and gifted educator, Mark is currently Principal of Prendiville Catholic College and has enjoyed a long involvement in Catholic education in Western Australia. I know that Mark will ensure the Mission, Vision and Values of Frayne will not only be maintained but strengthened during his tenure. I congratulate Mark on his appointment and welcome him to the College assured that our wonderful community will extend to him their prayerful best wishes and full support.

IMPORTANT REMINDERS

Traffic and Parking

We are reminded to please give priority to student safety and wellbeing in all our behaviours and decision making. There is an expectation that all will follow the traffic rules in accordance with College procedures and the Town of Victoria Park regulations in terms of parking and utilisation of the Drop-off and Pick-up Zones.

Please be mindful of the safety and the amenity of our neighbours, particularly in relation to traffic and noise and refrain from parking across or in driveways and parking in the *Nido Early School* carpark for drop-off/pick-up. Since school has returned the parents of this service have had trouble parking at drop-off and pick-up due to our parents using their carpark to drop school students.

Campus Entry - Duncan Street Campus

To ensure the safety and security on the Duncan Street Campus, parents/carers are no longer permitted beyond front reception unless accompanied by a staff member.

Extended Student Absences

The School Education Act (1999) requires compulsory school age children, as defined in the Act, to attend school, or participate in an educational program of a school, on the days on which the school is open for instruction. Under Western Australian law, unless a written arrangement, endorsed by the Principal, has been entered into for a student, parents/guardians must send their children to school unless:

- they are too unwell,
- they have an infectious disease,
- the Principal is provided with a genuine and acceptable reason.

It is vital that holidays are planned to occur during school holidays and not during the term. Any absence deemed to be taken at the discretion of the family (eg, holidays) – where there is a choice in the matter – is considered a '*noted absence*'. Such leave is neither an accepted nor an endorsed absence and should therefore be avoided as a reason for absenteeism from school.

Any student seeking an extended absence from the College requires Principal determination via the following process:

1. Parents or guardians who need to take a student out of school for an extended period of time (generally three or more days) during school term **are required to apply to the Principal** either by email (admin@ufcc.wa.edu.au), or in writing, at **least four (4) weeks prior to the intended absence**.
2. Parents/guardians need to indicate the *dates, duration* and *reason for leave* and have it noted prior to the leave being taken.
3. Any family unable to fulfil these requirements may be required to meet with either the Principal or the Vice Principal.

From the Principal cont...

CHALLENGE AND ENCOURAGEMENT

As the semester commences it is opportune for parents to sit with students to discuss their progress in learning, celebrate areas of success and plan for how they may improve. It is important for the students to set goals for their learning and targets they wish to achieve, to reflect on what they may need to do differently to achieve them and to adhere to the maxim: *If nothing changes, nothing changes!*

The students are to be commended on their efforts during Term 2. It has also been pleasing to receive many compliments from visitors to the College who have commented favourably on the friendly and polite manner of our students.

I encourage all students to build on their solid start to the year by:

- being caring and considerate towards their teachers and peers,
- being punctual to school each day and to their classes,
- being properly prepared for class and up to date with their school commitments,
- seeking assistance from their teachers, when necessary,
- wearing their uniform with pride,
- being positively involved in the various aspects of College life as a "participant" rather than a "spectator", and
- travelling to and from school in an appropriate manner.

Finally, we all need to remind ourselves from time to time that each of us has a personal responsibility for making Ursula Frayne Catholic College a happy and safe place in which students can learn and work towards their full potential because *at Frayne we aspire to look after each other and our campuses.*

With regards and best wishes.

Mr Geoff Mills, Principal

Chaplain's Reflection

ST JAMES THE APOSTLE

The Feast of St James the Apostle or James the Great, as he is also called, to distinguish from James the Less another apostle, is on 25 July. James, the son of Zebedee, is one of the Twelve Apostles chosen by Jesus and is the patron saint of Portugal and Spain and pilgrims.

The New Testament places James in Galilee as he was a fisherman working with his father, his brother John and some hired men. Immediately after Jesus called them, they left the boat and their father, and followed him. Both brothers were called the "sons of thunder", may be for their fiery tempers and were rebuked by Jesus for getting upset with a Samaritan town that did not welcome them. He is also one of three called by Jesus to witness the Transfiguration and to pray with him in Gethsemane. The Acts of the Apostles tell us that King Herod had him executed by the sword and thus to be the first of the Apostles martyred.

Tradition tells us that St James spread the Gospel across Israel, the Roman kingdom and especially in Spain. After that James returned to Jerusalem where he was martyred. As he was not allowed to be buried, his remains were taken to Compostela, Spain, by some of his followers, who buried him. In the ninth century his remains were discovered and a shrine was built. Since then, people from all over the world started walking to visit his tomb in the Cathedral of Santiago of Compostela making it one of the most popular pilgrimage in the world, known as "The Way" or "El Camino". It is even considered as one of UNESCO'S World Heritage Sites. Still today, hundreds of thousands of Christians, and many others, set out each year by foot and some by bicycle to visit his tomb. All say that it is one of the most spiritual and pleasant experience they ever had done, myself included.

Vinnies Winter Appeal

The Frayne Vinnies Group would like to extend our sincerest and heartfelt thanks to students, families, staff and the community for your generosity in donating to the Winter Appeal in Term 2 this year. Coordinated and collected from Homerooms by the Vinnies Group students, we were able to collect a generous amount of food and essential items for the Vinnies Victoria Park Emergency Relief Conference. They will go to support individuals and families in need in our local community over the coming months. It's wonderful to see our Frayne values of Justice and Compassion come to life through the actions of our community. Once again, thank you, and God bless.

Mr Isaac Ramshaw-Attard, Teacher

Student Representative Council - Balmoral Street Campus

Congratulations to the following students who have been elected as their Class Representative on the Student Representative Council (SRC) for Semester Two:

1G	Sterling Fisher	1R	Theodore Bahk	1W	Marie-Clara Jaune
2R	Eliza Reilly	2W	Madeleine Falconer		
3R	Evelyn Rowlinson	3W	Emmy Morris		
4R	Maeve Whitehouse	4W	Evelyn Hamer		
5R	Emmett Sammels	5W	Austin Eszenyi		
6R	Freya Whitehouse	6W	Cleo Nugent		

They will serve on this very rewarding student leadership council for the rest of the school year.

At our Campus Assembly yesterday, Thursday 20 July, these newly appointed SRC members were presented with their 'Councillor' badges by our Principal, Mr Mills, Head Girl, Lucy Crowley, Head Boy, Maximilian Lin and Deputy Head Girl, Zara Pearson. This was followed by their pledge to our school community to give of their best, set a good example and use this opportunity to grow and develop as leaders. We look forward to their ideas and input over the next few months as representatives of our campus student body.

At the Assembly we also thanked the previous SRC members for the responsibility they showed and the decisions they explored in their role. This culminated with a 'Cup o' Cereal' breakfast experience they planned, promoted, organised and delivered for students from Kindergarten to Year 6.

Like their Semester One peers, the Semester Two Class Representatives will join Lucy and Max, along with the Duncan Street Campus Middle and Senior School Councillors, for a reflective leadership workshop in the coming weeks.

It was great that we could gather as a campus to acknowledge and celebrate student voice and leadership.

Titration Competition

We are thrilled to share the outstanding success of nine talented students from who participated in a prestigious titrations competition in June. The competition, known for testing the analytical chemistry skills of young minds, drew teams from various schools across the region. Our Ursula Frayne teams showcased exceptional talent and dedication, securing remarkable placements of 3rd, 4th, and 18th in the competition.

Titration, a fundamental technique in quantitative chemical analysis, demands precision, accuracy, and quick thinking. The participating teams, comprising some of the brightest minds in the college, displayed exemplary teamwork and a deep understanding of the subject.

The students' achievement was not without hard work and rigorous preparation. Under the guidance of their dedicated chemistry teachers, they spent countless hours practicing their techniques and honing their analytical skills. Their commitment to learning and enthusiasm for science has truly paid off, and we couldn't be prouder of their accomplishments.

The teams securing the 3rd and 4th positions have earned themselves a well-deserved ticket to the next round of the competition. In the upcoming stage, they will face off against other top-performing teams from around the country. This is a testament to their talent and dedication, and we have every confidence that they will make us proud once again as they represent Ursula Frayne Catholic College on a national stage.

Write a Book in a Day Competition

This year we have a massive 70 students competing in this writing competition on Friday 4 August. This is the College's third year to participate in this competition, and an outstanding 7 teams from across Middle and Senior Schools have entered this year.

Write A Book In A Day is a writing competition for students from **Years 5-12** and held across thousands of schools across Australia. Through a collaborative team effort, students not only work together to plan, design, illustrate, write and assemble their original books, but also work together to fundraise for *The Kids' Cancer Project*. It is a 12 hour session, and is always an exhausting, stressful, yet an absolutely exhilarating experience.

The amazing thing about the Write A Book In A Day Competition is that the books created by us and all the teams around Australia can be digitally given to children in hospitals to read and to enjoy. However, for our books to be entered for the running to win the national or state awards, \$240 must be raised by each team. But don't forget, all the money donated by you and others, and the money we've raised not only help us, but kids with cancer.

You can help with the fundraising by clicking on the various links below to donate:

Workshop Overview

Moving from primary school to high school is a significant event in a child's life. It often involves new classmates, changing friendships, multiple classes with different teachers, self-directed learning and an increased workload including homework.

Children are often also experiencing the changes and challenges related to going through puberty at the same time.

This workshop explores the world of an emerging teen and how parents can support them to build confidence, new skills and resilience in this next stage of their life.
