

URSULA FRAYNE CATHOLIC COLLEGE

FRAYNE NEWS VOLUME 34 ISSUE 20 / TERM 3 WEEK 2 / 28 JULY 2023

DUNCAN STREET CAMPUS SCHOOL PHOTOS

Reminder that next week the Duncan Street Campus will be having their class and individual photos:

Monday 31 July - Senior School and Year 12 Group Photo

Tuesday 1 August - Middle School

ALL students need to wear the College winter uniform with the blazer and the College white socks if wearing the skirt. Please note that the Year 12 students cannot wear their leaver's jacket for the photos.

The Ursula Frayne Catholic College community acknowledges the Whadjuk people of the Noongar nation, the traditional owners who have walked upon and cared for this land for thousands of years. We acknowledge the continued deep spiritual attachment and relationship of Aboriginal and Torres Strait Islander peoples to this country and commit ourselves to the ongoing journey of reconciliation.

Students from the Joachim Cluster getting ready to celebrate Mass on their Cluster Patron Day.

From the Principal

Dear Parents, Students and Friends of Ursula Frayne Catholic College,

A STEP ALONG THE WAY

"Are we there yet?" are perhaps the four words parents/caregivers most dread hearing when in a car with children. I am sure that all parents have their standard response... "Soon", "Not much further", "We're five minutes closer than when you last asked" – and all parents experience the joy of that time when it finally arrives, of saying "yes, we are here".

The College is currently gearing up for the Quality Catholic Education School Review (QCESR). This very important and helpful process focuses on the effectiveness of the College's engagement with self-review, the impact of self-review on school improvement and the future directions for the improvement of student outcomes that are identified. As such, the QCESR fundamentally articulates strengths and future focus opportunities for our College. The process is guided by the QCE Elements – Catholic Identity, Education, Community and Stewardship – and its associated frameworks, CECWA's Strategic Directions, together with the triangulation of various data sets and will be supported by the College's chosen improvement and self-review tool.

The preparation of the College's Self-Review Statement for the visiting panel has afforded an opportunity to look back over the past three-four years and to reflect on how far the College has come during that time, despite the intervening challenges of the pandemic. But, unlike car travel with children, Frayne will never be able to answer the question "are we there yet?" with the joyous "yes" – because the reality is that there will always be more for us to do. We are constantly moving in the direction of the light at the end of the tunnel, and we can see our tracks behind us – verifying that we have moved, but the light always seems that same distance away.

From the Principal cont...

The sense of never being at the end can evoke different emotional responses, negative and positive. There are those times when it seems overwhelming and the desire to retreat and/or give-in is almost too strong to ignore. There are other times when the same sense of incompleteness is invigorating and exhilarating, spurring us on to even greater goals. The emotions of despair and exhilaration are natural and normal, but, both the positive and negative emotions can be problematic if they become all-consuming or over-powering.

As our *learning and faith sharing community, centred in Christ* continues to grow and develop through a process of evolution (as opposed to revolution), and as we grapple with the knowledge that our work will always be incomplete, there is much comfort and beauty in the powerful words of the prayer 'A Step Along the Way', often referred to as the 'Prayer of Oscar Romero':

A Step Along the Way

*It helps, now and then, to step back and take a long view.
The kingdom is only beyond our efforts, it is even beyond our vision.
We accomplish in our lifetime only a tiny fraction of the magnificent enterprise that is God's work.
Nothing we do is complete, which is a way of saying that the Kingdom always lies beyond us.
No statement says all that could be said.
No prayer fully expresses our faith.
No confession brings perfection.
No pastoral visit brings wholeness.
No program accomplishes the Church's mission.
No set of goals and objectives includes everything.
This is what we are about.
We plant the seeds that one day will grow.
We water seeds already planted, knowing that they hold future promise.
We lay foundations that will need further development.
We provide yeast that produces far beyond our capabilities.
We cannot do everything, and there is a sense of liberation in realising that.
This enables us to do something and do it very well.
It may be incomplete, but it is a beginning, a step along the way,
an opportunity for the Lord's grace to enter and do the rest.
We may never see the end result,
but that is the difference between the master builder and the worker.
We are workers, not master builders; ministers, not messiahs.
We are prophets of a future not our own.*

So, there is comfort in a project that can never be completed in this world. And there is also reassurance and cause for celebration in the individual steps along the way; Frayne Graduates completing their studies; staff completing projects and delivering lessons; the development and implementation of new initiatives together with the construction of new structures and the refurbishment of existing facilities. Above all, we see around us lives touched and futures transformed. And for this we give thanks to God.

With regards and best wishes.

Mr Geoff Mills, Principal

College Advisory Council Notes

The College Advisory Council met on Tuesday 18 July 2023 with the College's leadership team to discuss the status and considerable progress against the UFCC Strategic Directions 2021-2023, which are mapped against the CEWA Quality Catholic Schools' framework components of Catholic Identity, Education, Community and Stewardship. It was noted that there are some significant contextual issues, including the unforeseen challenges associated with COVID-19, which mean that it is sensible to extend the current Strategic Directions to the end of 2024. This will have the added benefit of allowing consideration of the outcomes of the College's participation in the forthcoming Quality Catholic Education School Review to inform any new directions, along with the participation of the new Principal, Mr Mark Antulov.

In addition, as part of his report to the Council, the Principal, Mr Geoff Mills, discussed planning around work health and safety at the College following recent changes to legislative requirements.

The Council also continued its consideration of the College's financial position and the status of capital development planning with respect to Stages 13A and 13B.

Mr Richard Miles, College Advisory Council Chair

Chaplain's Reflection

SAINTS JOACHIM AND ANNE

Pope Francis established the World Day of Grandparents and the Elderly as a reminder of the important role they play as a link between generations. This day is celebrated every year on the Sunday closest to the Feast of Saints Joachim and Anne, the parents of Mary and the grandparents of Jesus, 26 July. The theme chosen by the Pope this year is "His mercy is from age to age" (Lk 1:50). This theme is linked to the theme for World Youth Day 2023, which also comes from the first chapter of the Gospel of Luke: "Mary arose and went with haste" (Lk 1:39). Saints Joachim and Anne are the patrons of Parents and Grandparents, interceding to help them in the important mission to pass on the faith to their children. Parents need to teach their children to pray and to know the love of God and grandparents should give their collective human and spiritual wisdom to offer assistance in the faith development.

This feast is also the Patronal Feast of the Parish of Victoria Park name after St Joachim. Its name was proposed by Pope Leo XIII when the Bishop of Perth, Matthew Gibney, went to visit him in Rome in 1898. Bishop Gibney told the Pope of his plans to establish a new Parish and Church neighbouring the Cathedral Parish and the Pope suggested to name it after his own baptismal name of Joachim.

St Joachim is a great Saint for another great Cluster of our College; let us pray that through the intercession of Our Blessed Mother and her Parents, Saints Joachim and Anne, we may obtain the grace to treasure the spiritual and human wealth of our Grandparents and the Elderly.

Fr Jesus Bello, College Chaplain, Duncan Street Campus

NAIDOC Prayer

The below prayer was written by Zeeahra Anderson (Year 8) for NAIDOC Week:

Blood To Land By

You are my spirit, my native landmark,
Our sacred sites used for unreasoned rights.
As the corroboree is performed
People watch in awe.
Skin name by skin name
Is different with all.
We all come together when Dreamtime is called.
Aboriginal people lived in harmony for 65000 years,
Till the tall ships arrived
Displaced and fractured Aboriginal lives.

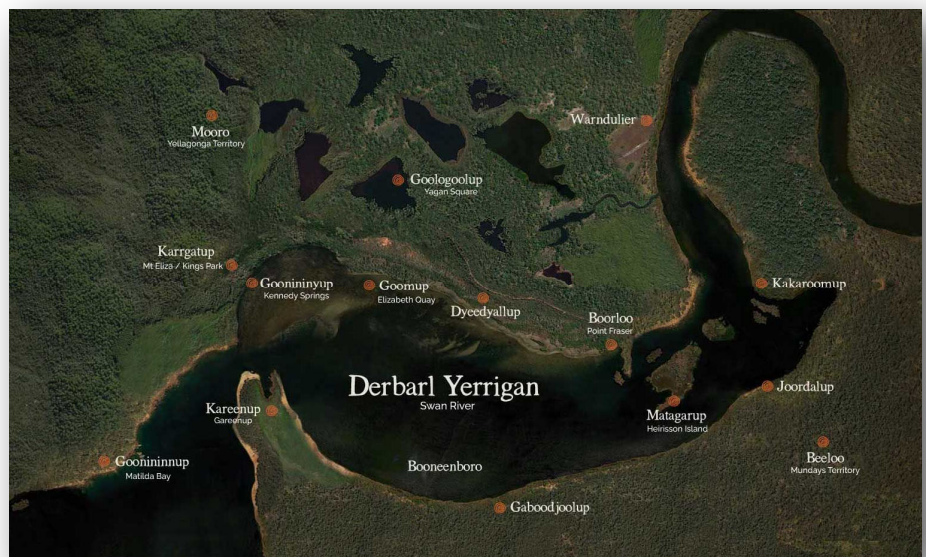

Belonging was lost, families displaced.
Where do I fit?
Where is my place?
Dot to dot the painting comes together.
One by one we stand together,
To praise our land and its beautiful weather.
Admire from a far the people,
Looking up at the stars.

As the reflection of the camp firelight
Lightens up the mood like fireflies.
As the rain falls from the sky
The kids dance and enjoy their night.
As we see the yonga prance
The soft breeze lets the trees have a dance.

Our ancestors painted the sky.
In the different seasons wet & dry.
As we whistle into the gumleaf
Our totem is finally released.
When the boomerang is thrown
and returns back to us,
our mob makes peace.

As I head to the derbarl Yerrigan (Swan River)
I'm sure the serpent knows I'm here.
As I'm walking through the ochre red dirt
Softly so not to be heard.
For Karda is sleeping soundly
And I don't want it to be disturbed.

As the years go by, I pray,
That things can mend one day.
My connection to land I feel.
Our people need time to heal.
To come together as one
As once was done.
And happiness for everyone.

Vinnies 'Tough Night Out' is Back for 2023

On Friday 15 September (Term 3, Week 9), staff and students will be sleeping tough to support homeless youth in our community.

Being involved in the Tough Night Out means:

- actively fundraising by sharing an online donation link with friends and family
- sleeping 'tough' for a night, without luxuries or technology, to reflect and gain experience of what it's like to be homeless

How does the fundraising help homeless youth?

The funds raised from the event go to Passages Youth Engagement Hubs. Passages supports homeless and at risk youth, some as young as 12 years old. The money is used to provide homeless youth with food, shelter, clothing, counselling, job training, and other support services. Last year, Ursula Frayne raised over \$13,000!

What happens at the Tough Night Out?

The Tough Night Out is a safe and social Christian Service Learning event where students will:

- enjoy time with friends
- learn and reflect about the challenges faced by homeless youth
- gain a new appreciation for their lives and families

A few points to consider...

Students have until the end of Week 3 to register interest in this event via the link on the SEQTA Notices page.

Students get very little rest at the Tough Night Out, so it's recommended that they do not have commitments on the Saturday morning following if they wish to be involved.

During Week 4, students who registered their interest will be asked if they would prefer to complete the Tough Night Out at home with a small group, or at school with the larger group. Numbers allowed for the school sleepover will be decided upon in Week 4 and further information will be released then.

Mr Isaac Ramshaw-Attard, Teacher

Artist Workshop

Earlier this week, two groups of eager Year 10 and 11 Visual Arts students participated in an enriching Artist Oil Painting workshop led by the renowned WA Realist Portrait painter, Rachel Dusting.

Rachel graciously shared her expertise and techniques, emphasising the importance of utilising tone and temperature to create dynamic and engaging paintings. The sessions were dedicated to two engaging activities that allowed the students to improve their artistic skills.

The first activity focused on tonal studies, where participants delved into the realm of black and greyscale transition-ing to white. Understanding the significance of mastering tones and shades, they discovered how to introduce depth and dimension into their artwork.

In the second activity, the students explored the art of working with a two-colour palette, being mindful of cool and warm colours. Rachel guided them in harmonising these colours to bring emotion into their paintings.

We extend our heartfelt gratitude to Rachel Dusting for giving us this unforgettable workshop, leaving an unforgettable impression on each of the students.

Hannah Tenzing, Year 10 Student

Student Spotlights

Aitaua Enari and Charisse Rond

The Western Australian Netball League (WANL) is a state level netball competition for up-and-coming netball talent, with many of the players being training partners for the West Coast Fever.

On Saturday 15 July the Women's Open Grand Final took place between Western Roar and Curtin Hamersly Comets. Trinity Rond (Class of '20) and Charisse Rond (Year 12 – Xavier 5) were members of the Roar team, and Aitaua Enari (Year 12 – Siena 5) was a player in Comets. There were many current and former students and staff supporting the teams on the night.

The match ended with Comets defeating Roar in a close match 52 – 48. Aitaua deserves special mention for scoring 34 goals in the role of Goal Shooter. Well done, Aitaua!

This is a fantastic celebration for the Frayne community. Not only is this the first time to have a current player in such a high profile and competitive league, but to have two current students playing at this level is outstanding.

Both Aitaua and Charisse have been dedicated leaders of the College Netball programme over their six years at the College. We wish them both all the very best for wherever netball takes them in the future.

Hannah Thomas

Congratulations to Hannah Thomas (Year 10) who has just finished competing overseas in the sport of Floorball. Hannah started playing Floorball after selecting Specialised Sport in Year 9 at Frayne.

Only a year after taking up the sport, she has just competed in her first tournament at the Singapore Floorball Open as a member of the Western Exports Under 21 Women representing WA. They played against other teams from Sweden, Singapore, and Japan. As the youngest team in the category, they managed to finish fourth place.

Evelyn Newman

Last December Evelyn tried out for the WA Calisthenics State Team. Initially there were 36 girls selected which had to be reduced to 23. After a number of routines I was one of the selected 23. After months of training the team flew to Brisbane in July for 7 days to participate in the National Championship. With 3 hours training every day...and some fun activities, it was then time for us to compete. WA came 3rd overall. It was a great experience and something Evelyn would love to do again.

Write a Book in a Day Competition

Next Friday, 4 August, our students will be taking on the Write a Book in a Day Competition for the Kids' Cancer Project. If you would like to help out with the fundraising, please click the links below to donate.

The books created by us and all the teams around Australia can be digitally given to children in hospitals to read and to enjoy. For our books to be entered for the running to win the national or state awards, \$240 must be raised by each team. All the money donated by you and others, goes to a great cause.

THE DOOTS (Year 11 Team)

THE CHRONICLES (Year 7/8 Team)

THE BOOK BARISTAS (Year 11/12 Team))

EUNOIA: THE BEAUTIFUL THINKERS (Year 10 Team)

THE ILLITERATI (Year 10 Team)

THE RAMMIES (Year 9 Team)

BAZOINK (Year 8/9 Team)

AUSSIE OF THE MONTH

Congratulations to Lily Sciortino (5W) who was announced as the Aussie of the Month for July.

Lily is a role model for her peers. She always tries her best to improve the standards of her work, asks for assistance when necessary and is always available to help others. Lily takes pride in the presentation and content of her work and always strives for excellence. She is a motivated student who shows dedication and compassion to others and always makes an excellent contribution to discussions in the class. Lily embraces and displays the Core values of our College in everything she does. She is responsible and can always be counted on to do tasks independently both in and out of the classroom. Lily always has a positive attitude and since the start of 2023, she has made her teacher, Mr Gallanagh, proud time and time again.

Miss Sabrina Del Rosso
Acting Assistant Head of Junior School

Junior School Interschool Cross Country Carnival

The Interschool Cross Country Carnival was held on Tuesday 25 July at UWA Sports Park. We competed against 15 other Catholic schools with our school finishing an impressive 5th.

A big thank you to all the teachers who assisted with the early morning trainings; our groundsmen who assisted with setting up the tents, the parents who assisted on the day and to the team who did themselves and the school very proud.

Outstanding performers on the day included:

Bodhi Szigligeti - 1st	Benjamin Monaldi - 1st	Isabella O'Hare - 1st
Jenelia Moodelly - 3rd	Ava O'Hare - 5th	Billie Mullins - 5th
Faith Lim - 5th	Rabiah Brown - 5th	Jonathan Desta - 6th
Matilda Miles - 6th	Luca Richards-Critchley - 8th	Edrick Tan - 8th
Ruby Banfield - 9th	Macayla Lai - 9th

YEAR 12, 2024 PARENT INFORMATION EVENING

On Wednesday evening, Friends of Frayne supported the cCollege's Senior School staff at the Year 12, 2024 Parent Information Evening on Duncan Street. Thank you to our amazing Maria Nicolosi, Natalie O'Brien, Rosemary Hadarin, Rebecca McAdam and Pat Gabb who helped encourage active participation from the attendees.

HAPPY INTERNATIONAL FRIENDSHIP DAY 2023

Join us in celebrating International Friendship Day this Sunday 30 July. The theme for this year is "Sharing the human spirit through friendship".

The day reminds us to celebrate friendships that feel like home, to be encouraged to reconnect with old friends and, in the spirit of "friend-raising" which we LOVE so much - it inspires us to connect with new friends and reach out to those feeling isolated.

"Friendship isn't a big thing, it's a million little things."

FRIENDS OF FRAYNE MEETING NEXT WEEK!

Opportunity to join in online

Our next meeting is next Wednesday 2 August @ 7pm, in-person at the Balmoral Street Campus.

If you are interested in joining in but unable to attend in person, we are aiming to have you join in online.

To register your online attendance please email Friendsoffrayne@ufcc.wa.edu.au by COB Tuesday 01 August.

1-2-3 MAGIC AND EMOTION COACHING

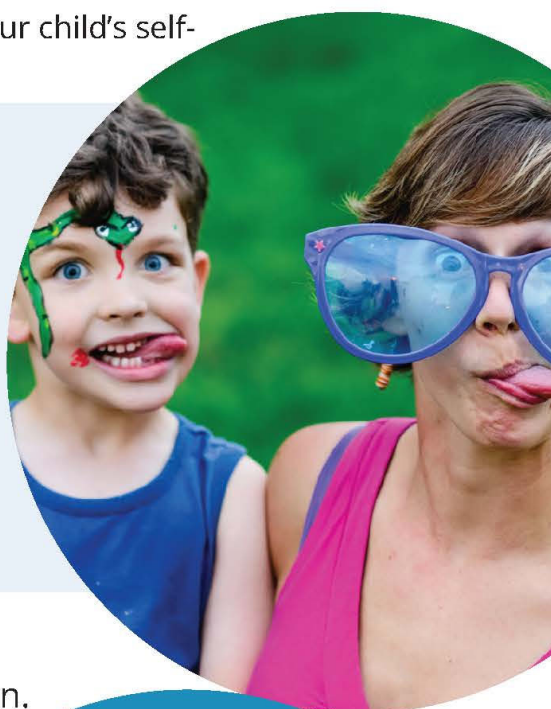

FOR PARENTS OF 2-12 YEAR OLDS

This course provides you with the knowledge and a set of practical responses to manage children's difficult behaviour and emotional upsets as they are happening.

You will learn how to build up and strengthen your child's self-regulation and self control.

Learn about...

- What is self regulation?
- How to be more consistent.
- How to set limits calmly and effectively.
- The problems that occur when parents talk too much and show too much emotion.
- Sorting behaviour: what to do and how to respond to different types of behaviour.
- How to pick your battles, how to Emotion Coach and how to use the 1-2-3.
- How to strengthen relationships and encourage positive behaviour.

6:00-8:30pm

1 & 8 August 2023 ~ 2-part series, in person.

Transition to High School

South East Metro Parenting Support Services

For Parents and carers of pre-teens/early teens

1-session program

Workshop Overview

Moving from primary school to high school is a significant event in a child's life. It often involves new classmates, changing friendships, multiple classes with different teachers, self-directed learning and an increased workload including homework.

Children are often also experiencing the changes and challenges related to going through puberty at the same time.

This workshop explores the world of an emerging teen and how parents can support them to build confidence, new skills and resilience in this next stage of their life.
