

Ursula Frayne Catholic College

Year 7 2024 Parent/Caregiver and
Student Information Evening

Acknowledgement of Country

Our College is on Whadjuk Noongar boodjar. Tonight as we gather together, we pause to pay our respects to the traditional custodians of this land, the Whadjuk people of the Noongar nation and acknowledge their continuing connection to land, waters and community. We pay our respects to their leaders past and present for their commitment to preserve and protect Whadjuk culture for the custodians of the future. We extend that respect to all First Nations people here tonight.

We also acknowledge the Sisters of Mercy, whose vision and foresight lead to the establishment of Catholic Education in Western Australia.

College Prayer

Lord of all Creation,
Inspired by the example of Ursula Frayne,
May we lead courageously,
Serve unceasingly,
Pray fervently,
Act justly,
Follow God's call,
And give generously of ourselves,
In the service of the Kingdom of God.
Let our lives be Centred in Christ.
May we never waver,
But rise above the hurts,
Frustrations,
Petty grievances,
And sufferings in our lives,
To be daily renewed in the peace and
Love of Christ.

Let us build a loving community,
Where all may be nurtured,
And grow in wisdom and love.
Let us strive for excellence in all we do,
For the Glory of God.
This we ask through Christ our Lord.

Amen.

Student Devices Year 7 2024

The compulsory student learning device is a Macbook Air

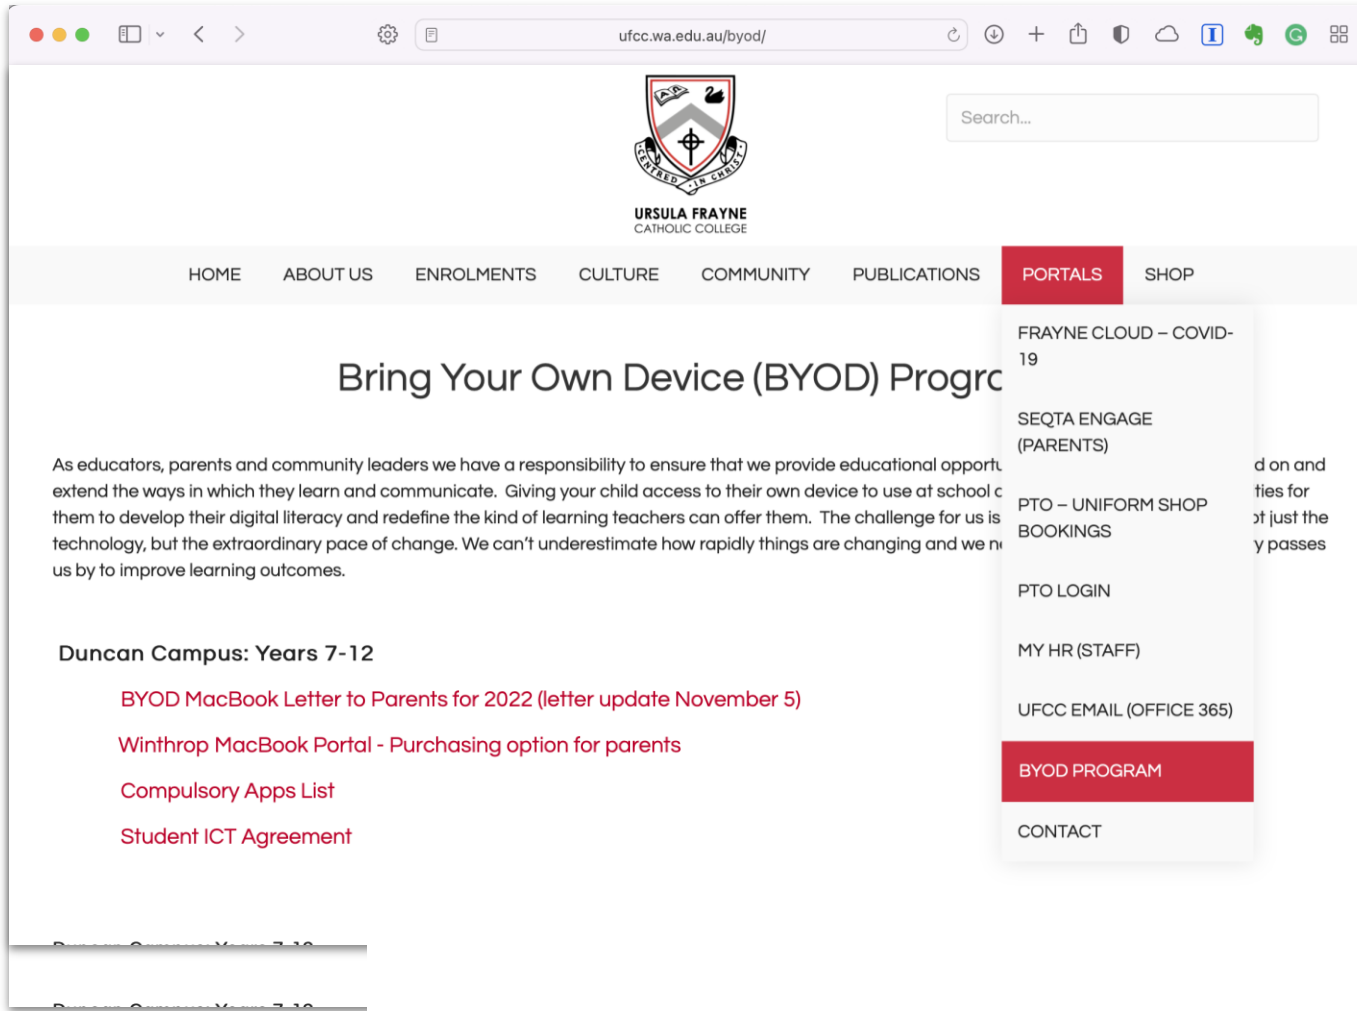

- Winthrop are our nominated provider but you are welcome to source the device at your own convenience
- Please note delivery delays in the current market
- The 2023 model of the Macbook Air has the specifications needed to ensure access to the latest software and operating systems, thus achieving maximum effectiveness.
- Older models are not guaranteed to perform at the optimum levels due to the changes in technology, attrition of the device, battery life etc
- We therefore recommend that you do not purchase a device that is more than two years old (pre-2022) as its longevity will be significantly reduced.
- If you currently own a device that is 2021 or earlier, its ongoing operational effectiveness is not guaranteed.
