Students with their cardboard dwellings from the Vinnies Tough Night Out

From the Principal

Dear Parents, Students and Friends of Ursula Frayne Catholic College,

FRAYNE DAY - INSPIRED BY THE EXAMPLE OF URSULA FRAYNE

The much-anticipated events of Frayne Day afford a special time in which to reflect on and celebrate our foundation and heritage as a Mercy school. As one of the most important days on our College calendar, Frayne Day is an opportunity for us to pause and reflect on our lives as people of Mercy and how the charisms of Catherine McAuley and her Sisters have shaped and guided the College in times of both continuity and change.

Every time we recite the phrase “*Inspired by the example of Ursula Frayne*” in our College Prayer, it is both an inspiration and a call to action to ‘not only say the words but to live the words’ through our daily lives. As such, we are invited to again reflect on the example of our naming patron, Ursula Frayne whose story reminds us how much one person can achieve when one endeavours to live a life ‘centred in Christ’.

VINNIES ‘TOUGH NIGHT OUT’ - FRIDAY 15 SEPTEMBER

Thank you and congratulations to the 200 students who participated in the Vinnies ‘Tough Night Out 2023’ on Friday night into Saturday morning on the Duncan Street Campus, the 50 students who completed the event with family at home and the 25 members of staff directly involved in this unique event.

The purpose of this sleepout experience is for students to gain awareness of and empathy for the plight of people experiencing homelessness in our communities and to raise money in support of homeless youth in Perth through *Passages Youth Engagement Hubs*.

Justice | Hospitality | Excellence | Compassion | Respect

From the Principal cont...

Students learnt from guest speakers, constructed cardboard shelters, engaged in prayer and reflection activities, socialised, shared supper, and breakfast, experienced the uncertainty and discomfort of sleeping outside and being exposed to the elements before coming together to celebrate their fundraising achievements in the morning.

My appreciation is extended to:

- the local businesses and organisations, including Vinnies WA, Coles Victoria Park, Officeworks East Victoria Park, Growers Lane Subiaco, Tammy's Bakery East Victoria Park, Bespoke by Barista HQ, Sage Victoria Park, Friends of Frayne, Duncan Street Store Victoria Park, Hop Café Victoria Park, Hope Op Shop Victoria Park, CK Retro Restaurant Perth and the Town of Victoria Park for their generous support and promotion of this event to the wider community.
- Town of Victoria Park Mayor / Member of the Homeless and Mental Health Services Advisory Committee of the St. Vincent de Paul Society- **Karen Vernon**; Vinnies WA, President- **David Kennedy**; Vinnies WA, Community and Business Development Officer- **Sarah Littauer** and Passages Youth Engagement Hub, Community Engagement Officer- **Nicole Gunn** the guest speakers at the official event opening which was live streamed to our community.
- the many parents, staff, relatives and friends who generously donated over \$35,000 through their sponsorship of students and staff participants. This accumulated into a very significant contribution towards the overall State total of just over \$48,000.

The successful outcome of this significant community event was due in large part to the outstanding leadership of **Mr Isaac Ramshaw-Attard** who generously dedicated many hours to the planning into the organisation and conduct of this very complex event. The very generous response of our community is testament to his commitment to this important cause.

STAFFING MATTERS

Thank you to **Michelle Davis** and **Sabrina Del Rosso** for undertaking the roles of Acting Head of Junior School and Acting Assistant Head of Junior School during Cathy Armstrong's Long Service Leave during Term 3. Michelle and Sabrina have embraced their respective roles with great enthusiasm and the College is fortunate to have staff members with the requisite background and experience that enables them to undertake these opportunities effectively.

Our thoughts and prayers are with **Jacinta Parr**, **Paula Szymenderski**, **Paul Colombini** and **Keith Gilbert** who are preparing to embark on their Long Service Leave. May this extended break be a time of rest and rejuvenation for them, and we look forward to their safe return in 2024.

HOLIDAYS

As we approach the end of Term 3 we keep in our prayers our Year 12 students who are heading towards their final days at Frayne.

Congratulations and thank you to staff, students, parents and guardians for your individual and collective efforts during a very busy and productive Term 3. I wish all members of our College community a safe and restful holiday and look forward to everyone coming back refreshed, ready for Term 4.

With regards and best wishes.

Mr Geoff Mills
Principal

Thank You - Book Week Jars

The library would like to say a big thank you to the families in our community that donated jars when we put the call out last term. Our Year 4 students created some amazing terrariums that were used to decorate the library during Book Week.

Chaplain's Reflection

URSULA FRAYNE

Mother Ursula Frayne was born on 5 October 1817 as Clara Frayne. She was the daughter of wealthy businessman Robert Frayne and Bridget. She entered into the newly formed Institute of Mercy in Dublin founded by Catherine McAuley and later become the Superior of the Sisters of Mercy. Both courageous women felt the call and privilege of being agents of God's Mercy as they served and helped the most vulnerable. Ursula opened the first Mercy school in Perth on 2 February 1846 with only one child, instead of the 4,000 children Bishop Brady had promised! However, they were never discouraged and with hard work the numbers increased to 100 by the middle of this same year. Later they started to build schools, not only in Perth, but also in Melbourne and the whole of Australia. Their legacy still continues today in many schools, including our own College.

At the age of 29, Mother Ursula led a group of courageous Sisters of Mercy to Australia on 9 January of 1846. After the long and difficult journey by ship, when they arrived in Perth they were unexpected and no arrangements for accommodation had been made. Mother Ursula Frayne said: "We stood in the wilds of Australia on that mid-summer night, and we could truly say with our Divine Model, we have nowhere to rest our head". But this did not discourage them and Ursula wrote her positive and hopeful impressions on that important day and their mission: "We had a most delightful sail. The weather was glorious; a strong breeze tempered the heat of the burning sun, and filling our sails, propelled us along so smoothly that we hardly felt the motion. The scenery was charming, the river broad and winding. Nature here had an undivided empire; human industry had literally done nothing".

Mother Ursula Frayne was a woman of extraordinary faith, a pioneer educator, welfare reformer, advocate and policy maker. It is important for all of us to celebrate Frayne Day and to give thanks to God for all the opportunities and graces that we are given through our College and the legacy of Ursula Frayne.

ACC Inclusive Sports Athletics Carnival

Ursula Frayne students had an amazing day at the Associated & Catholic Colleges of WA (ACC) Inclusive Sports Athletics Carnival, held at McGillivray Oval, Mt Claremont (Athletics Track-UWA Sports Park). The carnival gives students of all abilities the opportunity to participate in their chosen sport and to represent their school.

Ursula Frayne students ran, threw, and jumped their way to the top of the podium, taking out the Sue Bigalow Shield. Throughout the day, the students participated in a variety of events, including long jump, shot put, vortex, 70, 100, 400, and 800 metre running, as well as novelty events for those students who just want to have a go.

Congratulations to all the students and staff who attended the day. Everyone participated with such wonderful spirit, and their enthusiasm went a long way to making the day such a success. We are all proud of the way they represented themselves and our College.

R U OK? DAY

Last Thursday the College acknowledged R U OK? Day. Whilst we raise awareness once a year, it's important to remember that everyday should be RU OK? Day, to check in with those around us.

This year the theme was, I'm here to hear. Students were reminded that there are various supports available to them if they have concerns for themselves or a friend. I'd like to thank our Year 12 Head Boy, Max Lin and Deputy Head Boy, Rob Nicolosi who volunteered their time for a video to promote the 4 steps of asking someone RU OK?

You can watch the video here:
