

Principal

14 December 2023

Dear Parents/Caregivers and Students

GOODBYE, GOOD LUCK AND GOD BLESS

From the time of appointment, a Principal knows that he or she only has stewardship of a school for a relatively short period in its history. While at times the past eleven years have been challenging, I look back over the journey with a strong sense of community achievement which has brought with it innumerable joys, blessings, and wonderful opportunities for our students.

I am proud of Frayne and what we have achieved together. While some aspects of our College have undergone significant transformation, other components have remained constant. But I leave with a sense of great optimism knowing that the College will continue to grow and flourish under the leadership of newly appointed Principal, Mr Mark Antulov.

I have appreciated the opportunities that Catholic Education in WA has provided to me over the past 47 years in a variety of roles and the friendships and acquaintances I have made during that time. In my career I have never been prouder of a school and, more importantly, proud of the students and my staff colleagues.

During my association with the Frayne community, I have experienced the hospitality, generosity, understanding and kindness of so many people. In particular, I need to express my gratitude for the many thoughtful gestures and messages of thanks and best wishes that I have received during the past few weeks all of which have certainly touched my heart.

Thank you for the absolute privilege of allowing me to be part of and serve such a wonderful community and I will leave Frayne with a deep sense of pride, affection and many, many precious memories.

I wish you a most restful and well-deserved vacation break. May you and your loved ones have a very joyous and holy Christmas and I extend to you my prayerful best wishes for the future.

Goodbye, good luck and God bless.

Yours sincerely

Geoff Mills
