

8 March 2024

Dear Parent/Caregiver

This term the Year 6 students have been preparing to learn and study the 'Confirmation' unit of work. This Religious Education unit begins by recalling that the soul gives both life to the body and inner strength for goodness. The unit also explores ways in which Jesus revealed heroic, spiritual strength to obey his father and how Christian heroes have been strengthened by the Holy Spirit and how Catholics are promised this strengthening through the Sacrament of Confirmation.

As part of their Catechesis, the students will be attending a retreat at the Schoenstatt Sisters of Mary Centre in Armadale. The retreat day is a spiritual experience, full of faith filled activities and learning, all of which concern the coming of age in the Catholic Church and the duty deriving from it.

The excursion will take place on Tuesday 19 March. Both Year 6 classes will leave school from Camberwell Street at 9.15am and return to school by 2.45pm. The students are required to wear their sport uniform and bring a packed lunch and drink bottle in a small bag.

The general permission note that you signed at the beginning of the school year covers the travel to and from the Schoenstatt Sisters of Mary Centre.

Kind regards

Daniel Gallanagh and Sabrina Del Rosso
