

EVANGELISATION PLAN 2021-2024

Evangelisation is to give witness with joy and simplicity to what we are and what we believe in.
(Pope Francis)

EVANGELISATION AT FRAYNE

This Evangelisation Plan seeks to highlight how we live the Catholic Mission through our Mission, Vision and Values here at Ursula Frayne Catholic College. It aims to reflect a community that, in its behaviour, will give witness and proclaim the Good News of Jesus Christ while allowing us to reflect on current practice and planning to be, and to always continue to be, a community 'Centred in Christ'. It is designed to show how we give witness with joy and simplicity to what we are and what we believe in.

EVANGELISATION PLAN

MISSION

Inspired by the life and teachings of Jesus Christ, our mission is to empower all students in the pursuit of excellence in their life-long learning journey.

FRAYNE GRADUATE STATEMENT

We aspire that, upon graduation from Ursula Frayne Catholic College, our students will be faith-filled and joyful young people who are respectful of themselves, others, their community and the environment that sustains them. Our hope is that they are grateful, resilient, competent, can engage in life-long learning and are ready to take their place in and make a positive contribution to the world beyond school.

VISION

A learning and faith sharing community, centred in Christ.

We Acknowledge

GOD'S PRESENCE

Our school community is central to how we live the Church's mission and bring the Good news of Jesus Christ to all.

We are a genuine Catholic community fostering positive relationships within the school, the Church and the wider community.

We acknowledge God's presence through our:

- Sacred Signs and Symbols
- Provision of, and preparation for, the sacraments
- Continual opportunities for prayer and reflection
- Community Focus and relationships with our families
- Religious education in all years
- Reviewing of policies and processes within our College to ensure they reflect our Catholic Mission and our Mercy Values

We continue to work on acknowledging God's presence through:

- Developing the sacred signs and symbols throughout our College.
- Reviewing the Pastoral Care Policy to ensure it is reflective of our College Values and our Catholic Mission.
- Promoting the Chapel and sacred spaces for prayer and reflection.
- Reviewing and developing visual representations of the College Values on both campuses
- Working closely with our parishes and community to reflect God's presence.

We Celebrate GOD'S PRESENCE

We aspire that our students will be faith-filled and joyful.

We celebrate God's presence through proclaiming the Gospel, in our own personal witness and through our prayer and worship as a community.

- We join together in masses and liturgies with our staff, our students, our families and our community.
- We join together in prayer with our staff, our students, our families and our community.

We continue to develop prayer and liturgy that is genuine, engaging and relevant.

We do this through:

- Enhancing the engagement of students in the planning, participation and conduct of liturgies and masses
- Strengthening connections with our local parishes and our Catholic community
- Encouraging singing, instrumental music and participation in our rituals
- Encouraging the use of the Duncan Street Chapel and the local parish churches

We Respond to GOD'S PRESENCE

We are called to Christ's Mission and as a Catholic community we respond.

We aim to be a warm, loving community where all may be nurtured and welcome as individuals created in the image and likeness of God, and to encourage young people to be stewards of creation.

We do this through:

- Being a good school and providing an inclusive, quality education to all our students
- Respecting the human dignity of all individuals and building good relationships
- Listening to our students and recognising the value of their contribution
- Respecting and celebrating the diversity of our students
- Encouraging students to be socially responsible and make a positive contribution to the world
- Encouraging stewardship and sustainability throughout our College
- Being accessible and affordable and providing financial and other supports to those families who need our help

We continue to develop how we respond to God's presence through:

- Reviewing our Pastoral Care Policy to better reflect the Catholic call to, and understanding of, Pastoral Care
- Continuing to develop awareness, understanding and a lived experience of our College Values.
- Continuing to develop individualised education plans for all students who most need our help
- Focusing on re-engaging the disengaged and empowering all students in their learning and their faith.
- Continuing to work towards stewardship and sustainability in our College and in our world.
- Developing a new model of Christian Service Learning in our College that works with our families to support students to make a positive contribution in the world.
