Dear Parents/ Caregivers

Ursula Frayne Catholic College has recently been gifted two organs from St Joachim's Parish and we would like to extend an invitation for interested students to attend a workshop to learn about this amazing instrument.

The workshop will be presented by Mr John Pound, who is recognised as one of the leading exponents of the electronic organ in Australia. Mr Pound has had more than 40-years' experience in performing including on theatre pipe organs and classical Church organs.

The key topics for the workshop are:

1. An introduction to the organ.
2. Difference in playing techniques from the piano/keyboard.
3. Interaction of the organ in Church/home/performance use.
4. Practice techniques depending on style of playing.
5. What the future may offer for an organist.

To register your interest for this free workshop, please click on the link below, complete and submit the form: [MS Form.](#)

Date: 2 May 2024
