

10 May 2024

Dear Parent/Caregiver

This term the Year One students are learning about the Earth, weather and seasons in Science. To help the students gain a deeper understanding of these topics, we have planned an excursion to Scitech on **Thursday, 23 May**.

The excursion includes:

- Planetarium Show: Tilt
- Puppet Theatre Show: A Fishy Problem
- Discoverland: Simple Machines
- General Exhibition Free Time

We will depart school at **9.00am** and return by approximately **2.00pm**.

Each class requires the assistance of six parent helpers who will be allocated four students to supervise for the day. Parent helpers are asked to meet us at Scitech at 9.15am and stay until 1.30pm.

The children are to wear their sports uniform on the day. Please also provide:

- A packed recess and lunch in a disposable bag clearly labelled with your child's name
- A labelled water bottle

Please email your child's classroom teacher if you are able to help. We thank you in advance for your anticipated assistance.

The general permission slip you signed at the beginning of the school year allows your child to travel by hire bus to and from a stated venue. However, if you do not want your child to partake in this experience, please advise us accordingly.

Kind regards

Mrs D'Angelo and Mrs Sammels  
YEAR ONE TEACHERS
